
RETURNS POLICY

1. Returns Policy

Safety Monitors Limited aims to always provide high quality Goods that are fault free and undamaged. On occasion however, goods may need to be returned. Returns are governed by these Terms and Conditions.

- 1.1 If the Purchaser receives Goods which do not match those ordered, unless accompanied by an explanatory note detailing the changes, stating reasons for the changes and setting out your options, the Purchaser should contact us within 10 working days to arrange collection and return. Safety Monitors Limited is not responsible for paying shipment costs. The Purchaser will be given the option to have the Goods replaced with those ordered (if available) or to be refunded through the payment method used when the Goods were purchased. Refunds and replacements will be issued upon our receipt of the returned Goods.
- 1.2 If any Goods purchased have faults when they are delivered, the Purchaser should contact Safety Monitors Limited within 28 working days to arrange collection and return. Safety Monitors Limited is not responsible for paying shipment costs. Goods must be returned in their original condition with all packaging and documentation. Upon receipt of the returned Goods, the price of the Goods, as paid, will be refunded through the payment method used when the Goods were purchased.
- 1.3 If any Goods develop faults within their warranty period, the Purchaser is entitled to a repair or replacement under the terms of that warranty.
- 1.4 If Goods are damaged in transit and the damage is apparent on delivery, the Purchaser should sign the delivery note to the effect that the goods have been damaged. In any event, such damage should be reported to Safety Monitors Limited within 10 working days and arrange collection and return. Safety Monitors Limited is not responsible for paying shipment costs. Upon receipt of the returned Goods, the price of the Goods, as paid, will be refunded through the payment method used when the Goods were purchased.
- 1.5 If the Goods have been dispatched or have reached you, but the Purchaser decides that they are no longer required, the Goods can be returned to Safety Monitors Limited within 10 days of receipt. Goods can only be returned for this reason if their packaging remains unopened and the Goods can be re-sold, as new, without any additional work on the part of Safety Monitors Limited. The Purchaser is responsible for paying shipment costs if Goods are returned for this reason.
